

News from the Nursery!

"We hope you all had a great Easter break!"

Kindergarten Sessions!

We are now filling sessions from September! Please secure yours **ASAP** to avoid disappointment!

SNACK TIME!

We are using snack time to focus on communication skills and encourage conversations. Children are being encouraged to make more choices and given more reason to talk. We are using this as an opportunity to discuss oral health and healthy eating.

facebook

Our Facebook page is a great way to see what we have been up to at Kindergarten during the week.

You can see activities the children have had access to, along with the displays and artwork the children have created.

Our new Twitter feed @rollestonkindy is now LIVE! Why not give us a follow!!

Caring

Topic.

This term our topic is senses, we will be looking at a different sense each week starting with taste. As the weather gets warmer we will be spending more time outdoors, planting seeds and flowers and watching closely as our tadpoles continue to grow.

We continue to prepare our pre school children for school as we develop their self care skills and confidence. We will be engaging in short phonic and numeracy activities.

Our younger children will continue developing their listening and attention skills through small group story and singing activities.

We are pleased to say that our brand new out of school club **K:Hub** has continued to go from strength to strength. Our **K:Hub Holiday Club** during the Easter break saw the children planting flowers in the garden, making Easter crafts, taking part in the Easter trail, visiting the park and woods. We also collected stones, washed and painted them to help improve our outdoor area. We will be running the holiday club over the **May half term week** on the Monday, Tuesday and Wednesday and for **4 weeks of the summer holiday**.

Booking forms will be emailed out shortly.

Children's Development

Hopefully many of you have viewed your child's learning journey. If not and you would like to then please speak to a member of staff.

Outdoor Space: Our outdoor space is developing nicely, we have made our playhouse more accessible and taken delivery of a new football goal and more new resources will be arriving this week to further support children's learning outdoors. **IMPORTANT**>As the weather gets warmer please send in named sunhats and sun cream.

CONTACT DETAILS

Please let us know directly if any of your contact details change.

It is vital that we are able to contact you in the event of an emergency.

This includes any changes to your primary EMAIL address.

DENTIST!

All children are entitled to free dental care and starting visits to the dentist at an early age helps to reduce any fear a child may have and supports the development of a good dental hygiene routine.

Please speak to a member of staff if you require support finding a dentist.
